3T MF mop series

HYGYEN[®]

3T MF mop series

Use High-quality microfiber scrub mop for damp use that will remove stubborn dirt from all water-resistant surfaces such as floors, walls and doors. The dark blue polypropylene scrub fibers loosen the dirt and the lighter colored polyester and microfiber strips absorb and retain moisture and dirt well, while the mop still moves lightly over the floor. This makes the mop particularly suitable for easy, quick removal of more stubborn dirt. The foam lining and the terry structure with a longer twisted pile help to clean also slightly uneven surfaces.

Composition Microfibre 430 gr/m2 (80% polyester/20% polyamide), polypropylene
