MFC mop series

HYGYEN[®]

MFC mop series

Use Smart combination of microfibre and cotton in one flat mop. This mop is a practical tool when a bit more cleaning liquid is needed to dissolve stains and mop them up. The blue microfibre will help loosen the dirt, while the premium white cotton will absorb more moisture. Thanks to the foam padding also slightly uneven surfaces can be mopped easily.

Composition Microfibre 400 gr/m2 (80% polyester/20% polyamide), cotton
